

Dear Parents,

Welcome to _____! I'm excited to get an opportunity to work with you and your child as we embark on a new and productive school year. This year, _____ will be using PT Chat, a mobile application that allows us to stay in touch via text messages, push notifications or video conferencing. Each month, you will receive information letting you know what your child is learning, along with some simple tips and strategies you can use at home to support your child's learning. Signing up is quick and easy, I've provided some instructions below.

Download PT Chat

- **Step 1:** Download the PT Chat mobile app using Google Play or the App Store, just search "PT Chat"
- **Step 2:** Once you've downloaded the app, enter code _____. This will give you direct access to my class messages.
- **Step 3:** Enter your information on the settings page.
- **Step 4:** If your child has other teachers, you will be able to follow them too! Just click follow when you see your child's other teachers as well. Once you do this, you should be ready to go!

I'm eager to partner with you as we prepare your child to be successful in school and life. I'll speak with you soon!

Take care,
